GUYs & GALs - Since we are in a search mode, someone ask Dean King FIRST if he has any suggestions.

I would like to try one of the news anchors from one of the Topeka TV stations.

Hey you guys,

I still think Dean Roberts would be a good MC for Saturday night. I think he could come up with some jokes and make it exciting. I would like to hear other suggestions, though. I think we should serve China for the luncheon on Saturday. There'll be tables for the people to set at. I don't think the plates would get broken, therefore.

Hey guys,

I spoke with Dwight Nesmith, the emeritus professor and he said he would probably not be up to the task. Therefore I need to find a new person. Any ideas?

Also for the luncheon should we serve on china or paper.
